CAUTION NOTICES

1. ELECTRONIC INVOICING AND ADVANCED SHIPMENT NOTIFICATIONS (ASN)  
The Directorate of Clothing and Textiles (C&T) requires electronic invoicing on all contracts unless another method is mutually agreed to by the Contractor, the Contracting Officer, the contract administration office, and the payment office.  
Utilization of Wide Area Workflow - Receipts and Acceptance (WAWF-RA) in conjunction with DFARS 252.232-7003, ELECTRONIC SUBMISSION OF PAYMENT REQUESTS AND RECEIVING REPORTS (JUN 2012).  
The Directorate of Clothing and Textiles utilizes VIM-ASAP, which is short for DLA Virtual Item Manager ARN Supply-Chain Automated Processing, to transmit data to WAWF-RA. VIM-ASAP is the only authorized method to electronically process requests for payment to WAWF-RA for the Directorate of Clothing and Textiles. VIM-ASAP will give you visibility of contract information, track production status and print labels. VIM-ASAP pre-populates contract data on your invoices, such as unit price, contract numbers, item numbers, addresses, and many other fields that will save you labor and time.  
Advanced Shipment Notifications (ASNs) associated with DFARS clause 252.211-7006, PASSIVE RADIO FREQUENCY IDENTIFICATION (SEP 2011) are sent via VIM-ASAP to WAWF-RA processes.  
Please contact the VIM-ASAP help desk at 888-940-7348 to get started today!  
For questions about sending Electronic Data Interchange invoices (810-invoice transactions), contact Mr. Bud Wellens at 1-215-737-2778

For questions about invoice preparation, just call the DFAS Customer Service Resource Center at 1-800-756-4571, or Call DSCP DFAS liaisons listed below for assistance: Camille Conaway 1-215-737-4406

2. CHANGED REQUIREMENTS FOR ACCESS TO VIM

CONTINUATION SHEET	REFERENCE NO. OF DOCUMENT BEING CONTINUED: SPE1C1-15-Q-0120	PAGE 5 OF 68 PAGES
--------------------	--	--------------------

Please note: Vendors under contract with DLA Troop Support Clothing & Textiles are able to use a web-based application called VIM, or Virtual Item Manager (<https://vim.dla.mil>). VIM allows manufacturers to generate and transmit contract documents such as Delivery Orders (DD1155s) and Material Inspection and Receiving Reports (DD250s). Previously, vendors registered using a user ID and password; however, soon all vendors must use an ECA certificate to access VIM. Please see below for more information.

Why is VIM requiring access via ECA certificate?  
DoDI 8520.2 Mandates the use of DoD PKI identity certificates when accessing DoD information systems. The DoD established the External Certification Authority (ECA) program to support the issuance of DoD- approved certificates to industry partners and other external entities and organizations. ECA certificates enable contractors to securely communicate with the DoD and authenticate themselves to DoD Information Systems.

What are ECA Certificates?  
ECA Certificates are individually issued digital identity credentials. The DoD relies upon these credentials to ensure the identity of the user in online environments or when a certificate holder tries accessing DoD Information Systems. ECA Certificates are stored either on hardware devices (smart cards or USB devices) or software versions (stored on your computer's hard drive).

- You will use your certificate to:
- 1) Establish your identity when trying to access a protected site
  - 2) Legally "sign" a document, form or application
  - 3) Encrypt messages (email) or documents to ensure confidentiality

Much like a driver's license or a passport, they are unique to each individual, and cannot be shared. It is against DoD Regulations to share a username and password or allow someone to access another's ECA certificate for any reason. Violation of this policy will result in the immediate revocation of the original owner's certificate.

How can I obtain an ECA Certificate?  
The following are the three entities authorized by the DoD to issue ECA Certificates. Review and apply for an ECA Certificate from one of the below organizations to access your VIM account:

- 1) Identrust: <http://www.identrust.com/certificates/eca/index.html>
- 2) ORC (Operational Research Consultants): <http://eca.orc.com/>
- 3) VeriSign: <https://eca.verisign.com/>

I have an ECA Certificate, how do I access VIM now?

Simply log into VIM with your existing User ID and Password as usual and then follow the steps:

- 1) Under Menu, click the "Certificate Registration" option
- 2) Read the brief instruction and then click "Continue"
- 3) Your certificate will display in a pop-up. Select the certificate and click "Continue"
- 4) You will be prompted to enter your current password for confirmation and click "OK"
- 5) The message displays "Your Certificate has been successfully registered... click "OK" to complete the process. You will be logged out of VIM and prompted to login with your certificate.
- 6) Click "Accept" to the Terms and then select "Certificate Login".
- 7) Your certificate will display in a pop-up. Select the certificate and click "OK" and you will be logged into your VIM account.

Remember, your old login credentials will no longer be valid and you will use your certificate to login into VIM.

3. Offerors are cautioned that facsimile proposals, modifications to proposals, acknowledgement of amendments, withdrawal of proposal, responses to negotiations, and/or final proposal revisions will only be considered when facsimile proposals are authorized. Telegraphic offers will not be considered unless authorized by the solicitation; however, offers may be modified by written or telegraphic notice.

4. Stop shipment delays and rejections!  
For deliveries to New Cumberland depot, ensure your Government or Commercial Bills of Lading are correctly annotated with the following information in the description of articles:

CONTINUATION SHEET	REFERENCE NO. OF DOCUMENT BEING CONTINUED: SPE1C1-15-Q-0120	PAGE 6 OF 68 PAGES
--------------------	--	--------------------

# Weight  
# Pieces  
# National Stock Number(s) (NSNs)  
# Contract Number  
# Shipment Number  
# Door #s 113-134 - Mission Delivery (storage)

-- or --

Door #s 135-168 - Container Consolidation Point (CCP) Delivery (OCONUS)

(whichever applies to your freight)

Your truckers/dispatchers/ brokers/etc. should have this information readily available when they phone 717.770.6969 for a delivery appointment to Pre-Lodge.

Don't let the following common invoicing errors delay your payments any longer:

- # Missing or Erroneous Contract Number
- # Missing Call/Delivery Order Number
- # Missing or Erroneous Shipment Number
- # Failure to Mark DD250 as an Original Invoice
- # Failure to Distribute a Copy of the DD250 to the Contract Administration Office Terminal
- # Contract Line Item Number (CLIN) is Omitted, Incorrect or Does Not Match that Appearing in the Contract
- # Missing or Erroneous Unit of Issue
- # Quantity and Price are Incorrect
- # Wrong Pay Office on Invoice

Here are three things you can do to speed your invoice payments:

- # Be sure your original invoice is properly completed and legible.
- # Submit your invoices electronically using the Web Invoicing System (WInS). It's fast, accurate, and costs you nothing! Learn more at the WInS Home Page, at: <https://www.ecweb.dfas.mil/notes/>, and start using WInS with your next invoice! Or

# If you currently receive delivery orders electronically, you could benefit by using an 810- invoice transaction.

Web Invoicing eliminates postage, snail mail, and much paperwork, and gets the invoice/voucher into the DFAS system usually within 24 hours. Web Invoicing is free to vendors doing business with the Government. You just enter the appropriate information and send your invoice to DFAS electronically. It provides help text and pull-down menus in many fields. For more specific questions, contact Janice Hockman (703) 607-5111, Kirsten Larco (703) 607-4920 or Debra Jones (703) 607-2082.

For questions about sending Electronic Data Interchange invoices (810-invoice transactions), contact Mr. Bud Wellens at (215) 737-2778

For questions about paper invoice preparation, just call the DFAS Customer Service Resource Center at 1-800 756-4571, or

Call DLA Troop Support DFAS liaisons listed below for assistance:

5. Please note that the Patient Protection and Affordable Health Care Act ("the Act"), 124 Stat. 119, imposes duties upon employers concerning the provision of health care to their employees. Health insurance costs, including any costs associated with compliance with changes in the applicable law, are the sole

responsibility of the offeror. Offerors are advised that their proposals should include any costs associated with the implementation of the Act. Any changes in health coverage costs and/or costs associated with compliance, occurring after award of a contract pursuant to this solicitation will not form the basis for an equitable adjustment of the contract price.

6. Pursuant to FAR clause 52.222-54 vendors are required to enroll in the E-Verify program within thirty days after the date of a contract award and comply with all terms of the clause. In addition, vendors are required to provide evidence of their enrollment in the E-verify program to the contracting officer within 30 days after the date of a contract award.

- (B) The taxpayer is delinquent in making payment. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.
- (ii) Examples.
- (A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.
- (B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.
- (C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.
- (D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).
- (i) Certification Regarding Knowledge of Child Labor for Listed End Products (Executive Order 13126). [The contracting officer is to check a box to indicate if paragraph (k)(1) or (k)(2) applies.]
- [ ] (1) Maintenance, calibration, or repair of certain equipment as described in FAR 22.1003-4 (c)(1). The offeror ( ) does ( ) does not certify that—**
