SECTION A

solicitation or discussion.

If you anticipate quoting on a solicitation after the closing date, please submit a DIBBS quote with a bid type of "No Bid" and place an anticipated quote date or the reason you are not willing to quote. This does not prevent you from submitting an actual quote on DIBBS at a later date. It will overlay your previous no quote. This informs buyers of your intention to quote and prevents multiple calls for updates and cancelling of requirements assumed to be non-procurable due to no quotes/sources. The submission of an anticipated quote date does not preclude DLA from making an award to another acceptable timely offer.

No History Available

This solicitation is being issued under the First Destination Transportation (FDT) program. If this acquisition is for Foreign Military Sales (FMS) or has an APO/FPO ship-to address, FDT will not apply and normal procedures should be followed. For FDT program transportation requirements, see DLAD clauses 52.247-9059 F.O.B. Origin, Government Arranged Transportation and 52.247-9058, First Destination Transportation (FDT) Program - Shipments Originating Outside the contiguous United States (OCONUS). Additional information about FDT can be found on the FDT website (<http://www.dla.mil/FDTPI/>).
