THE FIRST ARTICLE, THE CONTRACTING OFFICER SHALL NOTIFY THE CONTRACTOR,
IN WRITING, OF THE CONDITIONAL APPROVAL, APPROVAL, OR DISAPPROVAL OF THE

Offerors are encouraged to submit price break information with their
quotes. Solicitations which are manually evaluated and awarded at
increased quantities may be awarded based on the price break information
submitted with the offeror's original quotation without further
solicitation or discussion.

If you anticipate quoting on a solicitation after the closing date,
please submit a DIBBS quote with a bid type of "No Bid" and place an
anticipated quote date or the reason you are not willing to quote. This
does not prevent you from submitting an actual quote on DIBBS at a later
date. It will overlay your previous no quote. This informs buyers of
your intention to quote and prevents multiple calls for updates and
cancelling of requirements assumed to be non-procurable due to no
quotes/sources. The submission of an anticipated quote date does not
preclude DLA from making an award to another acceptable timely offer.
